

Make this a Christmas to Remember... help the Building Appeal!

With River of Life Uganda's Alternative Gift List

Welcome back to our Alternative Gift List! We are still fundraising to develop our site to be a Children and Community Centre that will be a beacon of hope for Nyendo! Brick by brick we're moving forward! We have now agreed full Architectural Drawings for the whole development, which is a major step forward. Our number one priority is to raise funds to build a secure perimeter wall in time for the February 2011 elections, so plenty of bricks, sand and cement are needed to keep the children safe! Please consider making this a Christmas to remember...

Buy online at www.justgiving.com/riveroflifegifts or by email info@riveroflifeuganda.org

You can 'purchase' one of these gifts by donating online at www.justgiving.com/riveroflifegifts, or by contacting us. As it is a donation, we are able to claim Gift Aid if you pay enough tax. In return, you'll get a nice personalised gift certificate to give to your loved ones - please don't forget to include your name and address. The price of the various gifts are an estimation, and if we get too many requests for toilets for example, your donation will be put towards the total building cost. For more information, contact Rob at rob@riveroflifeuganda.org or call 0161 408 0205. River of Life Uganda is a Registered UK Charity No. 1110595, address 136 Essex Road, Leyton, London E10 6BS.
